INDEX TO VOLUME III

Tables of Contents for the Bulletins composing this volume will be found on pages 3, 75 and 107.

	Bulletin No.	Page
Advertising:		
Education and Advertising	3	94
Yearly Expenditure for Advertising	3	94
Agricultural Products:		
Increase in Value of	3	80
American Education Week:		
President Coolidge's Proclamation	3	104
Selected References for American Education Week	3	100–103
Arithmetic:		
Arithmetic Instruction—Past and Present	4 & 5	162
Bibliography	4 & 5	170
Courses of Study Published Since January 1, 1923	4 & 5	183
Curriculum in Arithmetic—How Shall It Be Determined?	4 & 5	137
Drill—According to What Criteria Shall It Be Organized?	4 & 5	136
Experimental Education—What Has It to Contribute?	4 & 5	137
Major Curricular Problems in Arithmetic	4 & 5	131
Procedure for Building up Ability to Handle Reasoning Problems	4 & 5	136
Psychological Studies—What Contributions Have They Made?	4 & 5	136
Research and the Curriculum in Arithmetic	4 & 5	131
Research Findings as to Business Usage	4 & 5	134
Socially Useful Processes	4 & 5	133
Standardized Tests—What Help from Them?	4 & 5	137
Systematic Instruction—When Shall It Begin?	4 & 5	132
Time Allotment (Charts IV and V)	4 & 5	132, 133
What Topics Are Being Eliminated from Arithmetic Courses?	4 & 5	135
Art:		
Bibliography	4 & 5	171
Courses of Study Published Since January 1, 1923	4 & 5	184
Bases for Evaluating Courses of Study:		
Criteria for Evaluating Courses of Sudy	4 & 5	180
What Is a Course of Study and What Is It For?	4 & 5	179
Bibliographies:		
American Education Week—Selected References	3	100–103
General Curricular Problems (Table 10)	4 & 5	168–169
Subjects of Elementary School Curriculum (Table 11)	4 & 5	170–178
Teachers' Salaries—Selected References	1 & 2	71
Capital and Wealth: (See Wealth)		
Character Education:		
Character Training—Moral Catechism vs. Habits of Right Conduct	4 & 5	166
Courses of Study Published Since January 1, 1923	4 & 5	184
Civics (See Social Studies)		
Committee Organization:		
What Form Results in Maximum Teacher Participation in Curriculum Revision?	4 & 5	120
Cost of Education:		
Amount Expended per Given Amounts of Tangible Property in 1922 (Table 1)	3	79
Annual National Savings and School Costs	3	83
Are School Costs Preventing Business Expansion?	3	84
Are the Schools Costing Too Much?	3	77–90
Cost of Automobiles and Education, 1920–1924 Incl. (Chart VIII)	3	87
Cost of Education and Luxuries Compared (Chart IX)	3	89
Do School Costs Make It Difficult to Provide for the Future?	3	86
How Much Are We Spending for Educaton?	3	78
Is the Cost of Public Education More Than Society Can Bear? (Chart I)	3	79
Is the Nation Able to Support Its Public Schools on the Present Basis?	3	90
National Resources and the Cost of Education	3	78
Per Cent of Nation's Income Saved and Per Cent Expended for Education (Chart IV)	3	83
School Costs and Bankruptcy	3	77
School Costs and Increase of National Capital	3	81
School Costs and the Material Needs of Life	3	80
School Support and Economic Productivity (Chart X)	3	93
School Support and Savings Accounts Per Capita (Chart XII)	3	97
School Support and School Results (Chart XI)	3	95
Why School Costs Have Increased (Chart V)	1 & 2	20
Cost of Living:		
Average Industrial Wages, Cost of Living and Purchasing Power of Wages (Table 8)	1 & 2	17
Increase in Cost of Living Must Be Considered As Well As Increase in Number of Dollars Received	1 & 2	17
Purchasing Power of Teachers' Salaries (Table 7) and (Chart IV)	1 & 2	17, 19
Purchasing Power of the Dollar in 19 Cities—1914 to 1924 (Table 9)	1 & 2	19

	Bulletin No	Page
Courses of Study:		
Availibility of Local Courses of Study	4 & 5	182
Bases for Evaluating	4 & 5	179
Definition	4 & 5	179
Elementary Courses of Study Published Since January 1, 1923 (Table 12)	4 & 5	183–192
Legitimate Uses of Lists of Course of Study Bulletins	4 & 5	182
Purposes of a Course of Study	4 & 5	179
Curriculum:		
Advances in Educational Science and Psychology—Their Relation to Curricula	4 & 5	113
Bibliography	4 & 5	168–178
Complexity of Modern Life—Its Relation to Curricula	4 & 5	112
Definition	4 & 5	179
Increases in School Attendance and Pupil Heterogeneity—Their Relation to Curricula	4 & 5	113
Looking Backward at the Curriculum	4 & 5	162
Rapidity of Change in Modern Life—Its Relation to Curricula	4 & 5	112
See: Courses of Study; and Curriculum Building.		
Curriculum Building:		
Decisions Preliminary to the Launching of a Local Program	4 & 5	119
Intangible Results of Course of Study Revision Program	4 & 5	183
Seven Approaches to Curriculum Building	4 & 5	116
Shall the Curriculum Be Built from the Outside or the Inside?	4 & 5	119
Should Classroom Teachers Participate?	4 & 5	119
Teachers—In What Ways Can They Give and Receive Help?	4 & 5	119
Teaching Corps—How Can It Be Interested in Curriculum Building?	4 & 5	120
See: Curriculum; and Courses of Study.		
Curriculum Specialist:		
Outside Specialist in Local Curriculum Program	4 & 5	123
Earning Power:		
School Support and Economic Productivity (Chart X)	3	93
See: Purchasing Power		
Educational Theories Affecting Curriculum Building:		
Opposite Poles in Educational Theory	4 & 5	115
Seven Approaches to Curriculum Building	4 & 5	116
Summary and Reconciliation of Curriculum Theories	4 & 5	117
Theory of Expression	4 & 5	115
Theory of Repression	4 & 5	115
Two Intermediate Points of View	4 & 5	114
Varied Opinion As to the Purpose of the Public School	4 & 5	114
Efficiency of Schools:		
Are the Schools Getting Results?	3	91–99
Education a Productive Force	3	91
Education and Earning Power	3	94
Education and Leadership	3	98
Education and the Production of Men of Eminence	3	96
Good Education and Good Business	3	92
Equal Pay for Equal Service:		
Men and Women of Equal Training and Experience Receive Same Salary (Table 46)	1 & 2	61
State and Local Enactments Concerning Equal Pay (Table 47)	1 & 2	62
Geography:		
Courses Published Since January 1, 1923	4 & 5	188
Geography Teaching—Then and Now	4 & 5	163
See: Social Studies.		
Grammar (See Language and Grammar)		
Health and Physical Education:		
Bibliography	4 & 5	172
Courses Published Since January 1, 1923	4 & 5	184–185
Research and the Curriculum in Health and Physical Education	4 & 5	156
Summary of Trend of Research Findings in Health Education	4 & 5	157
Summary of Trend of Research Findings in Physical Education	4 & 5	158
Time Allotment (Charts XIV and XV)	4 & 5	156–157
History:		
Courses Published Since January 1, 1923	4 & 5	188
History Teaching—Mediaeval and Modern	4 & 5	165
See: Social Studies		
Home Economics:		
Bibliography	4 & 5	172–173
Courses of Study Published Since January 1, 1923	4 & 5	185
Income:		
Percentage of National Income Saved 1909 to 1918 (Table 3)	3	83
Per Cent of Nation's Income Saved and Per Cent Expended for Education (Chart IV)	3	83
Institutes and Salaries:		
Number of Cities Where Teachers' Salaries Continue During Attendance at Institutes (Table 49)	1 & 2	62

	Bulletin No.	Page
Insurance:		
Annual Expenditures for Insurance	3	86
Do School Costs Make It Difficult to Provide for the Future?	3	86
Language and Grammar:		
Bibliography	4 & 5	174
Children's Grammatical Errors—The Basis for a Course in Grammar	4 & 5	147
Courses Published Since January 1, 1923	4 & 5	185–186
Objectives of Language and Grammar (Table 3)	4 & 5	149
Research and the Curriculum in Language and Grammar	4 & 5	146
Time Allotment (Charts X and XI)	4 & 5	146–147
Leave of Absence:		
Number of Cities Granting Leave of Absence for Study (Table 45)	1 & 2	61
Luxuries:		
A Study in Values (Chart IX)	3	89
Expenditures in United States for Certain Articles, 1920–1924 (Table 5)	3	88
Is Anything Left Over for the Luxuries of Life?	3	89
Manufactured Products: (Increase in Value of)	3	80
Moral Education: (See Character Education)		
Motion Pictures: (Annual Cost)	3	87
Music:		
Attainments for Sixth Grade Pupils	4 & 5	161
Bibliography	4 & 5	176
Courses Published Since January 1, 1923	4 & 5	186
Individual Differences—Recognition in Courses of Study	4 & 5	158
Rhythmic Training—Does It Improve Sense of Rhythm?	4 & 5	160
Scientific Testing and Standardization—Place in the Course of Study?	4 & 5	160
Time Allotment (Charts XVI and XVII)	4 & 5	159–160
National Resources: (See Wealth; Income; and Cost of Education)		
Nature Study and Elementary Science:		
Bibliography	4 & 5	178
Courses Published Since January 1, 1923	4 & 5	186
"Notables" and Education:		
Are the Nation's Leaders Born on Farms or in Cities (Chart XIV)	3	99
Birthplace of "Notables" Born about 1870	3	98
Education and Leadership (Chart XIII)	3	98
Education and Production of Men of Eminence	3	96
Penmanship:		
Actual Achievements in Speed and Quality of Handwriting on Ayres Scale (Table 1)	4 & 5	129
Bibliography	4 & 5	175
Courses Published Since January 1, 1923	4 & 5	186–187
Penmanship Demands in Occupations	4 & 5	130
Proposed Standards for Quality and Speed on Ayres Scale (Table 2)	4 & 5	129
Quality and Speed—What Can Children Attain?	4 & 5	128
Quality and Speed—What Does Life Demand?	4 & 5	130
Research and the Curriculum in Handwriting	4 & 5	128
Sixth Grade Standards	4 & 5	131
Time Allotment (Charts II and III)	4 & 5	127–128
Physical Education: (See Health and Physical Education)		
Professional Improvement:		
Financial Reward for (Table 44)	1 & 2	61
See: Leave of Absence		
Publicity:		
Essential Feature of Educational Work	3	100
How May Local Community Be Interested in Curriculum Revision	4 & 5	121
References on School Publicity	3	100–103
Purchasing Power:		
Of Teachers' Salaries (Table 7) and (Chart IV)	1 & 2	17, 19
Of the Dollar in 19 Cities (Table 9)	1 & 2	19
See: Earning Power; and Value of an Education.		
Reading:		
Appropriate Materials for Instruction	4 & 5	145
Bibliography	4 & 5	175–176
Children's Interests in Reading	4 & 5	145
Courses Published Since January 1, 1923	4 & 5	187
How Much Reading Should Be Required of Elementary Pupils?	4 & 5	143
Research and the Curriculum in Reading	4 & 5	141
Silent Reading—What Consideration Should Be Given to It?	4 & 5	142
Standard Tests—What Help from Them?	4 & 5	145
Time Allotment (Charts VIII and IX)	4 & 5	143–144
Winnetka Graded Book List	4 & 5	145

	Bulletin No.	Page
Salaries:		
Administrative Officers:		
Distribution of Salaries Paid in Cities (Tables 21–25)	1 & 2	36–40
Salaries Paid Administrative Officers in 1924–1925	1 & 2	36
Assistant or Vice Principals or Deans:		
Distribution of Salaries Paid in High Schools (Table 17)	1 & 2	32
Average: (See Median)		
Clerks in Administrative and Supervisory Offices:		
Distribution of Salaries Paid (Table 18)	1 & 2	33
Median Salaries Paid Clerks in Principals Offices (Chart IX)	1 & 2	34
Salaries Paid Clerks in Administrative Offices (Chart X)	1 & 2	34
Directors and Supervisors:		
Distribution of Salaries Paid, 1924–1925, in Cities of Five Population Groups (Tables 26–30)	1 & 2	42–46
Median Salaries Paid Supervisors of Music in 842 Cities (Chart XII)	1 & 2	41
Salaries Paid Directors and Supervisors in 1924–1925	1 & 2	40
Elementary Principals:		
Median Salaries Paid School Principals in 1923 Compared with Those Paid in 1925 (Chart II)	1 & 2	14
Median Salaries Paid Teaching and Supervising Elementary Principals in 1924–1925 (Table 15)	1 & 2	30
Elementary Teachers:		
Median Salaries Paid Elementary and High School Teachers, 1924–1925 (Table 11)	1 & 2	21
Median Salaries Paid Elementary Teachers in 1443 Cities (Chart VI)	1 & 2	22
Median Salaries Paid Elementary Teachers in Rural and Urban Sections of the United States (Chart VIII)	1 & 2	26
Median Salaries Paid Kindergarten and Elementary Teachers, 1924–1925 (Table 12)	1 & 2	27
Minimum, Median and Maximum Salaries Paid Elementary Teachers in 1925 (Chart XIII)	1 & 2	48
Equal Pay for Equal Service (Tables 46 and 47)	1 & 2	61–62
High School: (See Junior and Senior High School Principals and Teachers)		
Increases:		
Have Teachers' Salaries Been Increased?	1 & 2	12
Have There Been Dollar Increases in Salaries?	1 & 2	12
Median Salaries Paid in 1923 Compared with 1925 (Table 3, Chart I)	1 & 2	12–13
Janitors:		
Distribution of Salaries Paid Janitors in 1165 Cities in 1924–1925 (Table 19)	1 & 2	35
Hiring of Janitors (Table 20)	1 & 2	35
Junior and Senior High School Principals:		
Median Salaries Paid Principals in 1924–1925 (Table 16)	1 & 2	31
Salaries Paid School Principals, 1923 and 1925, Compared (Chart II)	1 & 2	14
Junior and Senior High School Teachers:		
Median Salaries Paid in 1309 Cities (Chart VII)	1 & 2	23
Median Salaries Paid in 1924–1925 (Table 13)	1 & 2	28
Minimum, Median and Maximum Salaries Paid in 1925 (Chart XIV)	1 & 2	49
Kindergarten Teachers:		
Median Salaries Paid Kindergarten Teachers, 1924–1925 (Table 12)	1 & 2	27
Medians:		
Median Salaries Paid Teachers in 1923 and 1925 (Chart I)	1 & 2	13
Median Salaries Paid Teachers, Principals, Administrative Officers, Directors and Supervisors in 1922 and 1924 (Table 3)	1 & 2	12
State Salary Medians	1 & 2	27
Rural Teachers and Principals:		
Median Salaries Paid Rural Teachers and Principals by States Compared With Those Paid in 1923 (Table 6)	1 & 2	16
Median Salaries Paid Rural Teachers and Principals in 1922–1923 and 1924–1925 (Table 4)	1 & 2	15
Salary Schedules:		
Examples of Recently Adopted Salary Schedules	1 & 2	58
Five Reasons for Adequate Salary Schedules	1 & 2	7
Minimum Salaries in 1924–1925 in Cities of Five Population Groups (Tables 33–37)	1 & 2	50–52
Maximum Salaries in 1924–1925 in Cities of Five Population Groups (Tables 38–42)	1 & 2	53–56
Percentage of Cities With Salary Schedules (Table 32)	1 & 2	47
Annual Increases Provided for in City Salary Schedules, 1924–1925 (Table 43)	1 & 2	57
Relief from Classes During School Hours (Table 48)	1 & 2	62
Leave of Absence for Study and Professional Improvement (Table 45)	1 & 2	61
Teachers' Salaries Continue During Attendance at Institutes (Table 49)	1 & 2	62
Financial Reward for Completion of Additional Professional Training (Table 44)	1 & 2	61
Salary Schedules in Jersey City, Minneapolis, St. Louis, Washington	1 & 2	58–60
Salary Schedule Provisions for Minimum Salaries	1 & 2	47
Salary Schedule Provisions for Maximum Salaries	1 & 2	53
Salary Schedule Provisions for Number of Annual Increases	1 & 2	57
Salary Schedules and Salary Schedule Features, 1924–1925	1 & 2	47
Salary Schedules Versus Lowest Bidders	1 & 2	47
Special Features of 1924–1925 Salary Schedules	1 & 2	61
School Nurses: Median Salaries, 1924–1925 (Table 14)	1 & 2	29

	Bulletin No.	Page
Salaries (Continued):		
Senior High School Principals:		
Median Salaries Paid in 1923 Compared with Those Paid in 1925 (Chart II)	1 & 2	14
Median Salaries Paid Senior High School Principals in 1924–1925 (Table 16)	1 & 2	31
Senior High School Teachers:		
Maximum, Median and Minimum Salaries Paid (Table 31)	1 & 2	46
Median Salaries Paid in 1309 Cities (Chart VII)	1 & 2	23
Median Salaries Paid in 1924–1925 (Table 13)	1 & 2	28
Single Salary Schedules:		
Partial List of Cities Having Single Salary Schedules	1 & 2	59–60
Use of the Single Salary Schedule	1 & 2	58
Special Class Teachers: Median Salaries in 1924–1925 (Table 14)	1 & 2	29
Special Salary Service, National Education Association	1 & 2	2
Superintendents:		
Distribution of Salaries Paid, 1924–1925 (Tables 21 to 25)	1 & 2	36–40
Median Salaries Paid in 1134 Cities (Chart XI)	1 & 2	41
Teachers' Salaries and National Progress	1 & 2	20
Teachers' Salaries Paid in Cities in 1925	1 & 2	21
Trends of Median Salaries in City Schools (Table 5)	1 & 2	15
Savings:		
Amounts in Savings Accounts (Charts V and VI)	3	85
Annual National Savings and School Costs	3	83
Are School Costs Making it Difficult to Save Money?	3	84
School Costs and Increase in Capital	3	81
Percentage of National Income Saved 1909 to 1918 (Table 3)	3	83
Per Cent of Income Saved and Expended for Education (Chart IV)	3	83
School Support and Savings Accounts Per Capita (Chart XII)	3	97
School Attendance:		
Compulsory School Attendance Laws	4 & 5	113
Increase	4 & 5	113
Science: (See, Nature Study and Elementary Science)		
Social Studies:		
Bibliography	4 & 5	177
Content of Social Studies—How Shall It Be Determined?	4 & 5	151
Courses Published Since January 1, 1923	4 & 5	187–189
Geography—What Are Its Basic Facts?	4 & 5	154
Historical Information Essential to Citizenship	4 & 5	155
History Text Books—Do They Put Emphasis Where it Belongs?	4 & 5	155
Research and the Curriculum in Social Studies	4 & 5	150
Res earch Methods Most Frequently Used	4 & 5	151
Social Science Topics in Current Magazines (Table 8)	4 & 5	153
Time Allotment (Chart XII and XIII)	4 & 5	150–151
Spelling:		
Bibliography	4 & 5	174
Courses Published Since January 1, 1923	4 & 5	187
Principal Methods in Teaching Spelling	4 & 5	141
Meaning and Use of Words In Spelling Lesson?	4 & 5	141
Research and the Curriculum in Spelling	4 & 5	138
Time Allotment (Charts VI and VII)	4 & 5	139–140
What Words Shall Be Taught?	4 & 5	138
Time Allotments:		
Arithmetic (Charts IV and V)	4 & 5	132–133
How Determined?	4 & 5	123
Language (Charts X and XI)	4 & 5	146–147
Music (Charts XVI and XVII)	4 & 5	159–160
Penmanship (Charts II and III)	4 & 5	127–128
Physical Training (Charts XIV and XV)	4 & 5	156–157
Reading (Charts VIII and IX)	4 & 5	143–144
Social Studies (Charts XII and XIII)	4 & 5	150–151
Spelling (Charts VI and VII)	4 & 5	139–140
Tobacco Expenditures: (See Luxuries)		
Value of an Education:		
Education and Earning of Farmers	3	94–96
Education and Earning Power	3	94
Wages:		
Industrial Wages, Cost of Living and Purchasing Power (Table 8)	1 & 2	17
In Building Trades in Six Representative Cities (Chart III)	1 & 2	18
Wealth:		
Schools Costs and Increase in Capital	3	81
Corporation Surplus, 1910 to 1921 (Table 4)	3	84
How Much Economic Power Has the United States?	3	78
Increase in Value of the Nation's Tangible Wealth (Chart III)	3	82
